The Benzie County Community Chorus Was SO Close!

We were working on a Christmas Around the World sort of program, and we were just six days out from shooting a video that we were going to put up on YouTube for all our fans. And then, you know, Corona took another step in it's cha-cha. But, we're still looking ahead, hoping so very much that we will be able to bring you a summer show in 2021. Until we know more, may your holidays be blessed and blissful, your BC3 Crew.
